

Field Technician

Overview

Foundation Technologies, Inc. is a family-owned manufacturer & distributor of deep foundation construction products. Contractors & engineers rely daily on our best-in-class products, industry leading technical expertise, and on the ground field support for a wide range of deep foundation applications. A 7x consecutive recipient of Great Place to Work®, FTI has tightknit family culture, where team members are deeply cared for and empowered to work in their highest and best gifting atmosphere that supports professional & personal growth.

Primary Responsibilities

- Conduct hands-on product training for contractors to increase their knowledge about product installation, application, capabilities, and testing
- Act as key resource in providing expert and timely response to clients and internal teams on product & equipment inquiries and questions
- Work with the engineering and logistics staff to ensure that customer commitments are met.
- Perform a variety of skilled construction and maintenance tasks
- Teach the proper use and handling of all hand tools, power tools, and heavy equipment
- Coordinate material & equipment needs for job site with customer onsite POC
- Maintain accurate logs and records
- Ensure adherence to safe work practices and procedures
- Develop and maintain key relationships with customer base
- Enhance organization reputation by accepting ownership for accomplishing new and different requests; consistently exploring opportunities to add value to the customer
- Load Test
- Travel 50%

Qualifications

- Strong knowledge of the construction industry associated with 5+ years of experience
- Experience leading/managing construction crews
- Knowledge and experience operating a variety of heavy, power-driven equipment
- Knowledge and experience with hydraulic equipment maintenance a plus
- Experience working with construction documents, ability to interpret and explain construction drawings
- Computer skills, basic proficiency in MS Word, Excel
- Attention to detail
- Bilingual a plus

Who Thrives In This Role

- This role is ideal for someone who enjoys owning outcomes, building long-term relationships, and balancing technical credibility with common sense judgment. The best fit is a self-directed operator who values clarity, follow-through, and steady progress over flash.

Compensation and Benefits

- Competitive compensation aligned with experience, responsibility, and impact
- FTI covers Medical Insurance 100% personal + 50% of dependents.
- Dental & Vision Insurance options
- 11 Paid Holidays
- Wellness & Vacation Days
- Simple IRA with FTI match up to 3%
- Work/Life Balance
- Company Vehicle (Ford F-250)
- Phone Plan

FTI Company Core Values/ Culture:

- How we serve: **Go the extra mile.**
- How we treat others: **Start with empathy.**
- How we communicate: **Be a straight shooter.**
- How we grow: **Hone your craft and be generous with it.**
